Kansas Assessment Program

October 2024

The following features are included in the most recent release of Kite® Educator Portal.

New features:

- **KAP Interim Family Report** – In conjunction with our enhanced Interim assessments, the KAP Interim Individual Student Reports have been refreshed and renamed the KAP Interim Family report. This new report includes the student's score, the total possible score, and additional information on the materials tested by reporting category.
- **Text to Speech PNP Option set by grade** – Text to Speech options available in a student's PNP are now configurable by grade. This update has been implemented in order to align with the updated KAP TTS guidelines, users will see that students grades 3-5 will no longer have the TTS PNP option to select Questions & Responses (ELA).
