

Vector Minor Release 2 Notes

Kansas Assessment Program

September 2024

The following features are included in the most recent release of Kite® Educator Portal and Kite® Student Portal.

New features:

- **Building Users View Historical Interim Reports** – Building level users now have the ability to view historical Interim Student Reports for students that are currently enrolled.
- **Math Text to Speech** – Math text to speech at the Questions and Response level is available to all students on the Interim and Summative assessments in addition to the newly released math Instructional Mini Tests.
- **Accessibility Update on Technology Enhanced Items** – In Kite Student Portal the single point feature allows students to click to select and click to place their response, in addition to dragging their response on technology enhanced items. These item types include ordering, multidrop bucket, background graphic, gap match and Venn diagram.
