Weifang Minor Release 2 Notes
Kansas Assessment Program
March 2025

The following features are included in the most recent release of Kite® Educator Portal and Kite® Student Portal.

New features:

➢ **KELPA Interactive Reports** – A new KELPA Interactive Report will be available following the KELPA Summative test window. The report includes overall proficiency, domain performance, and individual student performance.

➢ **TTS Available on All Science Mini Tests** – Text-to-speech (TTS) is now accessible to all students for Science Instructional Mini Tests, drawn from the shared bank of Delaware items. This update brings the Science Mini Tests in line with the TTS KAP guidelines, making TTS a universal support for the Science subject.

Updated features:

➢ **Update labels on KAP Interim Interactive Reports** – Column headers and report messages have been updated to provide consistency across the Interim Interactive Reports and to provide added clarity.

➢ **Click History Updates** – Enhanced audit data captured for student actions within the Student Portal including the usage of the page navigation buttons on the home page and the item buttons on the Review End Screen.
