

Kansas Assessment Program Ordering Braille Booklets

The Kansas Assessment Program will be ordering braille testing booklets for student use on the 2020 summative assessments.

Please request braille booklets through the Personal Needs Profile (PNP) in Educator Portal.

Booklets will be ordered for students who have “Braille” selected on the “Language & Braille” tab of their PNP. Booklets will be ordered several weeks before the testing window opens, and we need an accurate count of how many to order. Educators are encouraged to ensure that the PNPs of all students in need of these booklets are up to date.

PNPs must be correct for all students who need regular braille assessment by **November 30, 2020**. If any changes are made to your orders after this date or if you have questions, please contact KAPaccommodation@ku.edu
